To learn more or to register for the following free events hosted by the Thrivent Member Network – Southeast Region, visit the registration links below.

Philanthropy and Communities of Color

Recent data shows that given demographic changes and the challenges of the pandemic, both the church and philanthropy are changing. Join us for a webinar that will highlight findings from The Collective Foundation regarding fundraising within Christian communities of color. Presented by Thrivent BIPOC Leadership Network.

Two webinars Thursday, February 3
12:00 p.m. Eastern time - open session for Christian leaders

Church and Minister Taxation

While churches are tax-exempt organizations by law, they are still affected by many tax issues. Ministers have unique tax considerations as well. Join Rob Faulk, Partner at CapinCrouse, a national CPA and consulting firm serving churches and other nonprofits for a discussion of key issues and considerations, including:

- Who qualifies as a minister for the purposes of taxation?
- What to know about the minister's housing allowance?
- Common W-2 issues.
- And more.

Thursday, March 10 at 12:00 a.m. Eastern time
