

# Join our Thrivent Action Team Challenge to welcome refugees

The Thrivent Member Network–Nebraska Region needs your help to support the resettlement efforts of refugees and asylees throughout the state. Thrivent clients with membership can pitch in by leading a Thrivent Action Team to welcome the refugees and provide resources to help them thrive in their new lives.

## And there's more

We've partnered with Lutheran Family Services of Nebraska, Habitat for Humanity of Omaha, and the Refugee Empowerment Center/Immigration Legal Center to raise additional funds for this cause. If 60 Thrivent Action Teams complete their refugee-focused projects by Oct. 7, 2022, we'll donate up to \$5,000 to each of these organizations. If 40 Thrivent Action Teams finish, we'll donate up to \$2,500, and if 20 Thrivent Action Teams finish, we'll donate up to \$1,000 to each organization. **How's that for a little extra motivation to start your team?**

## Getting started is easy:
