

Salute our Heroes

Join our Thrivent Action Team Challenge

Here's your chance to show your support and appreciation for our military (active, reserve and veterans) and first responders!

Your local Thrivent Member Network challenges you to lead a Thrivent Action Team in support and appreciation of our military and first responders. Our goal is to complete 20 patriotic Thrivent Action Teams between Patriots Day and Veterans Day, 2021.

Get started

- Go to thrivent.com/actionteam to apply for a Thrivent Action Team project.
- Select "patriotic" as your project cause.
- Complete your project by November 11 and submit your report by November 19, 2021.

You may be selected to recommend a non-profit organization in the Thrivent Choice© catalog for a \$500 donation from your TMN.

Send a picture and description of your project or any questions to nancy.stepp@thrivent.com.

Donation recommendations are subject to Thrivent's sole discretion. The opportunity to make a recommendation has no monetary value.
